MAILBOX INFORMATION

Dear Valued Homeowner,

We want to take this opportunity to thank you for choosing Copper Sculptures!
The following is the information needed to purchase the approved mailbox design by your HOA & Property Management company.

\$350.00 plus tax for the COMPLETE post/mailbox/address unit (3-4 week lead time)

\$80.00 plus tax for a MAILBOX ONLY with black vinyl #'s included (1-2 week lead time)

\$6.00 plus tax for replacement individual black vinyl #'s (1 week lead time)

All prices are for Customer Pick Up.

We can refer homeowners to someone who can pick up and provide installation services, but they would pay him directly.

We require 50% to start production with balance cleared at pick up.

Payments accepted: Check, Cash, Visa or MasterCard with 3% processing fee added for credit card payments.

Please call 601.992.9955 and ask for the Mailbox Department.

We will need the Subdivision name to build to approved specifications.

We look forward to working with you!

Best regards,

The Copper Sculptures Team
